PROPOSAL BASIS

This proposal is based on the measured spaces and scope listed above. Changes in site conditions, access, or requested scope may affect final pricing and schedule.

Changes to scope, access, or conditions may require a written change order and can affect price and timeline.

Fill this in by hand, or build the room schedule, totals, and proposal on your phone with BoardCount at boardcount.app. Verify quantities, prices, taxes, and code requirements before you send it.
